6 UNITED STATES DISTRICT COURT
7 WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

8 JERRY GEORGE WOOD JR,
9 Plaintiff,

10 v.

11 DAN STITES, et al.,
12 Defendant.

CASE NO. C18-983-MJP-BAT

**ORDER DENYING MOTION FOR
OVER-LENGTH BRIEF**

13 Jerry George Wood Jr. moves for leave to file an over-length brief of 41 pages in
14 opposition to defendants' motion for summary judgment and motion to dismiss. Dkt. 83. By
15 order dated April 30, 2019, the Court granted defendants' motion for leave to file an over-length
16 brief in support of their motion for summary judgment. Dkt. 70. The Court's order allowed both
17 parties an additional 11 pages of briefing (for a total of 35 pages) to address the motion for
18 summary judgment. *Id.* Motions for leave to file over-length motions or briefs are generally
19 disfavored. LCR 7(f). Here the Court finds the additional 11 pages (for a total of 35 pages) which
20 have already been granted to Mr. Wood for his response are sufficient to address to the issues
21 raised in defendants' motion.

22 //

23 //

1 Accordingly, Mr. Wood's motion for leave to file an over-length brief (Dkt. 83) is
2 DENIED.

3 DATED this 17th day of May, 2019.
